**WHY AM I
HERE?**

God is searching for...

by Rex Schaffner, SW US Representative, Ethnos360, GAP Guest

Every day, in remote places throughout the earth, regular people are doing incredible things for God. They have left house and home, family and friends so that people without the Bible can hear about God in their heart language. How do they do it? How can someone give up the American dream, take their family and live in isolated jungles and small villages among people whom they can't talk with? How can they spend 3-4 years learning a strange language and culture, eventually teaching the Bible? Do they go on adrenaline? Have they mustered up enough faith and determination? Will they be able to stick it out? If so, how?

Well, like me, those I know personally serving on the mission field have discovered the truth of 2 Chronicles 16.9. *"For the eyes of the Lord look to and fro throughout the whole earth; to show Himself strong on behalf of those whose hearts are bent toward Him."* What an incredible thought...that God is always "looking" (He knows!) for those who love and trust Him and want to make their lives count for eternity. They have come to know Him as a personal God and Father, who loves them in ways beyond comprehension.

Continues inside...

God is searching for continued...

He loves us enough that He sent His Son to die in our place for our sins. He loves us enough that He gave us His own, powerful Spirit. And He enables us daily to live as children of God, children of light, bringing life and light to a dark and needy world. Whether in remote jungles or our "urban jungles", God knows our hearts. As we love, believe and depend on Him, He will show Himself strong on our behalf as we do His work. And, there is no worthwhile work, no lasting fruit, done outside of the truth of His Word. Psalm 33.4 "For the Word of the Lord is right, and all His work is done in truth." Let's walk in truth today, trusting God to work in and through us in ways that reveal His incredible love.

God's Power to Overcome Evil with Good

*by Valerie Jameson, President/CEO - Stand True 4 Blue
"God Answers Prayer" Guest*

Have you ever felt the stirring of the Holy Spirit? I mean that stirring that compels you to jump into something wholeheartedly even though you don't know where you will end up? Well, that's my story, and the story of Stand True 4 Blue.

The story begins in October, 2015, when a local police officer was gunned down on the street while faithfully protecting and serving his community. This tragedy, coupled with the negative news coverage, highlighting less than 1% of law enforcement, stirred an emotion in me that is almost indescribable. I found myself angry and questioning a society that did not see the humanity and value behind every badge.

At the same time, I am so grateful for what the Lord did next. He met me in that place of discouragement and pressed upon my heart not to be overcome by this evil, but to overcome this evil with good. It was then that I realized that He was stirring me to do something positive for law enforcement. Over the next several months I experienced a power that I had never experienced before. Through the power of the Holy Spirit, I watched as a community began to unite in support of law enforcement, resulting in platforms being created where every person could show their support.

The most remarkable thing that I have learned along this journey is that when God stirs His people to action, He is faithful to empower them to complete the calling. This is evident throughout scripture, when He called Abraham, Moses, Daniel, Ester, the disciples and so many others. Each day, I am humbled knowing that the same God, who called and empowered each one of these men and women of faith, is the same God who calls and empowers you and me. I have seen and continue to see first-hand the power of our God. Each day is now taken on with confidence knowing that He who calls us is faithful to do it through us!

So my question to you is....how is God stirring you? Are you ready to jump?

"Effective"

by Pastor Ray Montoya, Senior Pastor at Calvary Chapel Southwest
"God Answers Prayer" Guest

James 5:16 says, "The effective fervent prayer of a righteous man avails much." The word "effective" means having the power to produce. In 2 Chronicles 14, there is a man by the name of Asa who did what "was good and right in the eyes of the Lord his God, for he removed the altars of the foreign gods and the high places, and broke down the sacred pillars and cut down the wooden images." This man was effective and God was doing great things in and through his life.

However, the enemy soon rose up against him and with an army of a million men against Asa's army of 580,000. They were hard pressed on every side; they were up against an impossible situation! How were they going to overcome an army of a million men?

In verse 11 we are told how Asa and his men overcame. It says Asa cried out to the Lord his God and said, "Lord, it is nothing for You to help, whether with many or with those who have no power, help us, O Lord our God." Who did Asa cry out to? What was his secret weapon? He cried out to God and he believed in the God of the impossible. His secret weapon was prayer and because he cried out, God heard, and God delivered.

I'm not sure what you are facing today or what battles you are up against. Perhaps your marriage is at a standstill and things look hopeless. Perhaps you are stuck in a spiritual rut and you can't seem to get out. If so, cry out to God and the God who hears is the God who helps! I have learned over the years that when the odds are stacked against me, it is best to cry out to God and trust in the God who delivers. He is our ever-present help in times of need.

"The earnest prayer of a righteous person has great power and produces wonderful results." James 5:16 Prayer works! Therefore, keep praying!!
